22788-1DK	1 Drum Kit	100 lbs.

*Most products available in totes. For alternate packaging, contact ITD.

TECHNICAL INFORMATION

Color	Green
Odor	Lemon
pH	$\geq$13
State	Liquid
DOT	Not Regulated by DOT

Carbon 88 is designed to be used as a truck wash and degreaser. Carbon 88 can be used to clean many hard surfaces such as in hotels, motels, kitchens, garbage areas, maintenance departments, pool equipment, heavy equipment, stadiums & arena seats & equipment, automobile detailing cleaning, fleet vehicles, road repair equipment, construction equipment, boats, ships and marine equipment and areas, etc. Carbon 88 is an extremely versatile multi-surface cleaner and degreaser. It is non-corrosive and excellent for removing dirt, grime, grease, oil, mold, mildew, food soils and many other soils from a variety of surfaces. Carbon 88 is useful for cleaning awnings made from a variety of materials such as cloth, vinyl and plastic. Will help to remove the build up of mold and mildew on these surfaces.Used as directed, it will clean painted surfaces without damage. It excels at removing road film from tractors & trailers insideand out without brushing. When used for continued fleet washing maintenance… surfaces will sparkle.

DIRECTIONS FOR USE:

For Truck Washing: Dilution Rate: Product to Water ratio of RTU, Hot Water: 1:50 Cold Water: 1:25. Effective in hard water up to 20 grains. For General Cleaning: May be used as is or mixed with up to 15 parts water. Fill a sprayer with the Carbon 88 solution and apply directly to the surface to be cleaned. On vertical surfaces be sure to apply the solution from bottom up. Detail clean from the bottom up and wipe dry from the top down. Carbon 88 may affect some paints. Test on a small inconspicuous area to determine compatibility before broad based use on the item to be cleaned.
