Salt Lick is formulated to remove salt, calcium chloride and de-icing solution used on winter roads by breaking down the crystalline structure of ice melt products and prevents them from re-crystallizing so they can be washed away. Salt Lick is a dual-purpose concentrated detergent attacking heavy soils and road film.

**Hotsy detergents are available in a variety of sizes.** Ask your dealer about our convenient options and about our bulk supply program, where Hotsy detergents can be supplied on regular basis to meet your needs. The Hotsy bulk detergent program is available at participating dealers.
