Especially effective in inhibiting rust in top and front-load automatic parts washers. It contains a superior blend of rust and corrosion inhibitors that give outstanding protection in both the liquid and vapor phase. This helps protect steel and prevents rust in automatic parts washers. It also helps prevent rust and corrosion on metal parts being cleaned.

RECOMMENDED USES

- Soak Tanks
- Rinse Water
- Ultrasonic Cleaning
- Recycle Systems
- Automatic Parts Washers

Hotsy detergents are available in a variety of sizes. Ask your dealer about our convenient options and about our bulk supply program, where Hotsy detergents can be supplied on regular basis to meet your needs. The Hotsy bulk detergent program is available at participating dealers.
